

AGRICULTURE BOX

Agro Gardening Autonomous System

Grow your own organic food and eat it from plant to plate!

ERGONOMIC

Easy working height. No bending or kneeling required. Suitable for all from children to adults. Ideal for the elderly and wheelchair users.

WATER SAVING

Revolutionary technological irrigation system specially created for growing in arid environments like UAE.

HIGH YIELD PRODUCE

A unique mix of high quality soil and compost specially selected for the UAE's arid climate, resulting in fast growing high quality produce. Grow your own ORGANIC fruit, vegetables, herbs or plants without pesticides. High in nutritional value and superior flavour.

SAVE MONEY

Grow your own fruit, vegetables and herbs and enjoy nourishing food with maximum nutrition for you and your family. Agriculture Box provides the freshest produce at your fingertips.

WE PROVIDE A TURN KEY SOLUTION

Agriculture Box is supplied with everything you need to start growing. Soil, seeds, irrigation/drainage, composting system, organic fertilizer solution, installation and delivery, we provide a turn key solution for your convenience. Low maintenance and easy to use.

DECORATIVE, DURABLE & SAFE

This is a beautiful addition to any garden or patio. Comes in a natural wood finish. Agriculture Box has longevity and will last a long time due to the quality of our European kiln dried white wood. Our British and European certified food graded waterproofing system inside the box forbids any Volatile Organic Compound (VOC) transfers and offers a safe and durable protection for the box.

GROWER'S COMMUNITY, RECREATIONAL AND EDUCATIONAL

Thanks to Agriculture Box enjoy a new relaxing hobby with your family and friends. Create a grow club and join others. Promotes food security. Agriculture Box is an excellent educational tool for school and nurseries.
